CINCINNATI CHRISTIAN SCHOOLS

Cincinnati Christian Schools partners with Christian families to provide a Bible-centered, quality education for the whole person—spirit, heart, body, and mind. The school believes its job is to provide a superior level of education as it equips, trains, and discipless each student to follow Christ and to impact culture.

Cincinnati Christian Schools deeply believes that the gift of Christian education is one of the most invaluable gifts a young person can receive. Since its founding in 1971, CCS has been blessed by the generosity of selfless individuals, corporations, and organizations that support its mission through making gifts of time, talents, and resources. While CCS' development/fundraising projects, programs, and initiatives have changed over time, their purpose has remained the same: to impact our student's lives and enhance their learning experience.

THE COURSE

Innovative architecture and a reverence for nature are the hallmarks of truly great golf courses, and the championship layout at TPC River's Bend is no exception. The club's 7180-yard design was crafted to blend harmoniously with its surroundings on a hillside overlooking the historic Little Miami River. The course meanders through corridors of mature hardwoods and whispering creeks, with winding playing routes, picturesque waterfalls, and gentle elevation changes creating a stunning backdrop for a memorable test of golf.
